Tyler by Ry Rocklen via Team Gallery

Team Gallery (83 Grand Street) opens "Food Group" by LA-based sculptor Ry Rocklen on Thursday, October 5, 6 to 8 p.m. The show features 3D-printed miniatures of people wearing food costumes including hot dogs, ice cream cones and cupcakes. Riffing on art-toys and franchise mascots, the works are, as the gallery says, "at once both playful and haunting." On view to November 4.
